Our responsibility is to express a conclusion on these interim condensed financial statements accounting statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" endorsed in the Kingdom of Saudi Arabia. A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34 as endorsed in the Kingdom of Saudi Arabia.

These interim condensed financial statements for the six-month period ended 30 June 2023 have been prepared in accordance with International Accounting Standard 34 "Interim Financial Reporting" ("IAS 34") as endorsed in the kingdom of Saudi Arabia.

The unaudited condensed financial statements do not include all the information and disclosures required in the annual financial statements and should be read in conjunction with the Fund's annual financial statements as at 31 December 2022.

The interim condensed financial statements have been prepared on a historical cost basis, using the accrual basis of accounting except for financial assets held at FVTPL that are measured at fair value. All financial information presented has been rounded to the nearest SR.

3. BASIS OF PREPARATION AND CHANGES TO ACCOUNTING POLICIES (continued)

3.2. New standards and amendments to standards

3.2.1 New standards and amendments adopted by the Fund

The accounting policies adopted in the preparation of the interim condensed financial statements are consistent with those followed in the Fund's annual financial statements for the year ended 31 December 2022, except for the adoption of new standards effective as of 1 January 2023. The Fund has not early adopted any standard, interpretation or amendment that has been issued but not yet effective.

The following new and amended IFRSs, which became effective for annual periods beginning on or after 1 January 2023, have been adopted in these financial statements.

Standard, interpretation and amendments	Description	Effective date
Narrow scope amendments to IAS 1, Practice statement 2 and IAS 8	The amendments aim to improve accounting policy disclosures and to help users of the financial statements to distinguish between changes in accounting estimates and changes in accounting policies.	Annual periods beginning on or after 1 January 2023
IFRS 17, 'Insurance contracts', as amended in December 2021	This standard replaces IFRS 4, which previously permitted a wide variety of practices in accounting for insurance contracts. IFRS 17 fundamentally changes the accounting by all entities that issue insurance contracts and investment contracts with discretionary participation features.	Annual periods beginning on or after 1 January 2023
Amendment to IAS 12- deferred tax related to assets and liabilities arising from a single transaction	These amendments require companies to recognise deferred tax on transactions that, on initial recognition give rise to equal amounts of taxable and deductible temporary differences.	Annual periods beginning on or after 1 January 2023

3.2.2 Significant standards issued but not yet effective

Standard, interpretation and	Description	Effective date
amendments		
Amendments to IAS 1, Presentation of financial statements', on classification of liabilities	These narrow-scope amendments to IAS 1, 'Presentation of financial statements', clarify that liabilities are classified as either current or noncurrent, depending on the rights that exist at the end of the reporting period. Classification is unaffected by the expectations of the entity or events after the reporting date (for example, the receipt of a waiver or a breach of covenant). The amendment also clarifies what IAS 1 means when it refers to the 'settlement' of a liability.	Deferred until accounting periods starting not earlier than 1 January 2024
Amendments to IAS 1, Non- current Liabilities with Covenants	Non-current Liabilities with Covenants amends IAS 1 Presentation of Financial Statements. The amendments improve the information an entity provides when its right to defer settlement of a liability for at least twelve months is subject to compliance with covenants. The amendments also respond to stakeholders' concerns about the classification of such a liability as current or non-current.	Annual periods beginning on or after 1 January 2024
Amendments to IFRS 10 and IAS 28	Sale or contribution of Assets between an Investor and its Associate or Joint Ventures	Available for optional adoption/effective date deferred indefinitely
Amendment to IFRS 16, Lease Liability in a Sale and Leaseback	Lease Liability in a Sale and Leaseback amends IFRS 16 by adding subsequent measurement requirements for sale and leaseback transactions.	Annual periods beginning on or after 1 January 2024
