INDEPENDENT AUDITOR'S REVIEW REPORT ON THE INTERIM CONDENSED FINANCIAL STATEMENTS TO THE UNITHOLDERS OF SAB INVEST CHINA AND INDIA EQUITY FREESTYLE FUND (MANAGED BY SAB INVEST)

Introduction

We have reviewed the accompanying interim condensed statement of financial position of SAB Invest China and India Equity Freestyle Fund (the "Fund") managed by SAB Invest (the "Fund Manager") as at 30 June 2026, and the related interim condensed statement of comprehensive income for the six-month period ended 30 June 2026, and the related interim condensed statement of changes in net assets attributable to the unitholders and cash flows for the six-month period then ended, and explanatory notes. The Fund Manager is responsible for the preparation and presentation of these interim condensed financial statements in accordance with International Accounting Standard 34, "Interim Financial Reporting" ("IAS 34") as endorsed in the Kingdom of Saudi Arabia. Our responsibility is to express a conclusion on these interim condensed financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" as endorsed in the Kingdom of Saudi Arabia. A review of interim financial statements consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing that are endorsed in the Kingdom of Saudi Arabia and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed financial statements are not prepared, in all material respects, in accordance with IAS 34 as endorsed in the Kingdom of Saudi Arabia.

However, the geopolitical situation in the Middle East has deteriorated significantly since 28 February 2026. The situation has remained highly volatile and has impacted several countries in the Middle East including Kingdom of Saudi Arabia, causing disruption to some business and economic activities.

The Fund Manager is closely monitoring the situation and has activated its business continuity planning and other risk management practices to manage the potential business disruption on its operations and financial performance due to the geopolitical outbreak.

The Fund Manager has assessed the potential implications of the changes in geopolitical situations on its operations, financial position and performance. Based on information currently available, including the continuation of core business activities, it is not practicable to reliably estimate the full financial effect of the changes in geopolitical situations on the future periods. The Fund Manager has also considered the impact of these situations on the Fund's ability to continue as a going concern and has concluded that the going concern basis of preparation remains appropriate.
